SHAREHOLDER INVESTMENT PROGRAM
PROSPECTUS

ExxonMobil Corporation offers you the opportunity to participate in its Shareholder Investment Program. The Program lets you: purchase shares of ExxonMobil's common stock with no commission; reinvest all or a portion of your cash dividends in additional shares; and deposit share certificates for safekeeping. See "Important Considerations" and "Terms of the Program."

EquiServe Trust Company, N.A. (Equiserve), a federally chartered trust institution, is the Administrator for the Program. EquiServe, Inc., an affiliate of EquiServe and a transfer agent registered with the Securities and Exchange Commission ("SEC"), acts as a service agent for EquiServe. The Administrator purchases Program shares in the open market and the Corporation does not receive any proceeds. ExxonMobil stock is listed on the New York Stock Exchange under the symbol "XOM." The closing price of the common stock on May 13, 2003 was \$35.53 per share.

This prospectus covers approximately 12,500,000 shares of common stock, no par value.

Neither the Securities and Exchange Commission nor any state securities regulator has approved or disapproved these securities or determined if this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

ExxonMobil Shareholder Investment Program

HIGHLIGHTS

Following are some of the convenient features of the Program. Refer to "Important Considerations" and "Terms of the Program" for more complete information. Please read this entire prospectus carefully.

Buy With No Commissions

With the ExxonMobil Shareholder Investment Program, you don't need to call a stockbroker. ExxonMobil pays the commissions on all Program purchases. You can make purchases in a variety of ways, including by check, direct debit from your US bank account, or dividend reinvestment. Your investment dollars will be fully invested in ExxonMobil shares.

Open an Account for Only \$250

If you are not an ExxonMobil shareholder, you can enroll in the Program with an initial cash investment of only \$250. If you are already an ExxonMobil shareholder, you can enroll with a \$250 cash investment, by depositing ExxonMobil shares for safekeeping, or by choosing to reinvest dividends on some or all of your ExxonMobil shares.

Make Additional Investments With as Little as \$50

Once enrolled, you can make additional investments as small as \$50, by check or by direct debit from your US bank account. Additional investments may be made on a one-time basis or on an automatic monthly schedule. Since you pay no commissions, your full investment goes to the purchase of ExxonMobil shares. The maximum cash investment is \$200,000 per calendar year.

Invest Weekly, Sell Daily

You can buy and sell as frequently as weekly and you can vary the amount you invest. Sales are processed daily.

Reinvest Dividends Automatically

You can choose to have all or part of the dividends paid on your ExxonMobil shares automatically reinvested in additional shares.

Receive Dividends by Direct Deposit

If you elect not to reinvest dividends, you can have dividends deposited directly into your US bank account by electronic transfer on the dividend payment date.

Deposit Certificates for Safekeeping

You can protect your ExxonMobil share certificates from loss, theft or damage by depositing your shares for safekeeping. If you want new certificates sent to you, we'll do so at your request.

Invest in Tax-advantaged Accounts

EquiServe offers a variety of tax-advantaged IRA and similar accounts that invest in ExxonMobil shares through the Program. These accounts are generally available both for new contributions and for rollovers. For more information on this service, including special disclosures, fee information, and enrollment materials, call the EquiServe IRA Department toll-free at 1-800-472-7428.

Make Gifts of ExxonMobil Stock

You can make gifts or transfers of ExxonMobil shares at no charge. A Program account will be opened for the recipient and you can also request a special gift certificate.

Access and Manage your Account in Three Convenient Ways

You can access and manage your Program account by mail, by telephone, or through EquiServe's website.

Toll-Free Information

If you have questions about the Program or need assistance or information about other shareholder matters, call ExxonMobil Shareholder Services toll-free at:

1-800-252-1800

<page> 2

IMPORTANT CONSIDERATIONS

The purpose of the Program is to provide useful services for ExxonMobil shareholders. We are not recommending that you should buy or sell ExxonMobil shares. You should only use the Program after you have independently researched and made your investment decision.

The value of ExxonMobil shares may go up or down from time to time. We give no assurance as to whether or at what rate ExxonMobil will continue to pay dividends. Program accounts are not insured by the Securities Investor Protection Corporation, the Federal Deposit Insurance Corporation, or anyone else.

TERMS OF THE PROGRAM

Administrator

EquiServe Trust Company, N.A. (the "Administrator") administers the Program. The Administrator currently serves as transfer agent, registrar and dividend paying agent for the Corporation and may have other business relationships with the Corporation from time to time. The Administrator also sponsors Program IRAs and similar accounts.

Contact Information; Managing Your Account

You can contact the Administrator and manage your Program account in several ways:

Mail. The Administrator's mailing address is: ExxonMobil Shareholder Investment Program, P.O. Box 43008, Providence, RI 02940-3008. For your convenience, as described in more detail below, pre-printed forms and envelopes are available for enrollment and for most Program features. These forms are available from the Administrator. Certain of the most commonly used forms will also be included with your account statement and other mailings from time to time.

Telephone. You can call the Administrator toll-free from within the US at 1-800-252-1800. From outside the US, call collect at 781-575-2058. The telephone service is available for general shareholder information and questions; to request enrollment and other forms; to obtain account information; and, as described in more detail below, to manage some Program features.

Internet. You can also enroll in the Program, obtain account and other shareholder information, and manage most Program features as described in more detail below through the Administrator's website. To find out how to access and use the Administrator's website, you can email the Administrator at: exxonmobil@equiserve.com, or call the telephone numbers given above. Material on the Administrator's website is solely the responsibility of the Administrator and is not part of this prospectus.

Eligibility

Any US person or entity can participate in the Program by fulfilling the requirements described under "Enrollment Procedures." A citizen or resident of a country other than the United States is also eligible if participation would not violate local laws applicable to you or to ExxonMobil.

Enrollment Procedures

First, read this prospectus carefully.

If you are not an ExxonMobil shareholder and are eligible, you may enroll in the
<page> 3

Program by either:

- - Making an initial cash investment of at least \$250 and not more than \$200,000.
- - Authorizing at least five (5) consecutive automatic monthly investments for at least \$50 each.

If you are already an ExxonMobil shareholder and are eligible, you may enroll in the Program in any of the following ways:

- - Depositing five or more share certificates with the Administrator for safekeeping.
- - Electing to reinvest cash dividends paid on at least one whole share, provided you also own at least five (5) whole shares registered in your name.
- - Making an initial cash investment of at least \$250 and not more than 200,000.
- - Authorizing at least five (5) consecutive automatic monthly investments for at least \$50 each.

In all cases, you must complete and submit an enrollment form, either by mail or through the Administrator's website. At present, you may not enroll by telephone. Participation in the Program begins after the Administrator reviews and approves your forms and receives your funds or share certificates. See "Initial and Optional Investments" below for information on how to make initial investments or to authorize automatic monthly investments.

Investment Dates

A new investment period begins on each Investment Date. The "Investment Dates" are Thursday of each calendar week or, if the New York Stock Exchange is not open for business on any Thursday, the next day on which the New York Stock Exchange is open.

Initial and Optional Investments

Initial investments must be at least \$250. You may make this initial investment in a single payment, or by authorizing automatic monthly investments of at least \$50 each for a minimum of five (5) consecutive months. Thereafter, additional optional investments must be at least \$50 for any single investment. The total amount of initial and optional investments may not be more than \$200,000 in any calendar year, excluding qualified rollovers and plan distributions.

Investments can be made as follows and by any other means the Administrator

accepts:

Personal Check. Make your check payable to "ExxonMobil" and return it to the Administrator with your enrollment form (in the case of an initial investment) or a pre-printed investment form (in the case of optional investments). Do not send cash, money orders, traveler's checks or third party checks. All personal checks must be made in US dollars and drawn on a US bank.

Direct Debit. You can make an initial or optional investment by authorizing the Administrator to debit your US bank account. At present, one-time direct debit transactions can only be authorized through the Administrator's website.

Automatic Monthly Investment. You can automatically invest a specified monthly amount (not less than \$50) by direct debit from your US bank account. Automatic monthly investments may be initiated through the Administrator's website or by completing a pre-printed monthly investment form and returning it to the Administrator. At present, automatic monthly investments may not be initiated by telephone. Funds will be transferred from your account on the third business day

<page> 4

before the last Investment Date of each month.

Automatic monthly investments will continue at the level you set until you instruct the Administrator otherwise. Once initiated, you can change or stop automatic monthly investments through the Administrator's website; by completing and returning a new monthly investment form; or by telephone. To be effective for a particular month, the Administrator must receive instructions to begin, change, or stop automatic monthly investments before the last business day of the prior month.

OTHER INVESTMENT INFORMATION

The Administrator must receive your funds at least two (2) business days before an Investment Date to begin investing on that Investment Date. Funds received later are held until the next investment period. No interest is paid on amounts held by the Administrator pending investment. Accordingly, you should transmit funds to the Administrator shortly before the deadline. All investments must be in US dollars and are subject to collection by the Administrator of full face value.

The Administrator will cancel or return your check investment if the Administrator receives your written request at least two business days before the Investment Date. Refunds will be made only after the Administrator actually receives the funds.

There is a fee of \$25 for any optional investment returned unpaid, whether the investment was made by check or by an attempted debit from your bank account. By enrolling in the Program, you authorize the Administrator to deduct this fee by selling shares from your Program account.

Reinvesting Cash Dividends

You can reinvest cash dividends paid on all or some of your ExxonMobil shares. If you elect reinvestment, cash dividends paid on your certificated and/or book-entry ExxonMobil shares will be used to purchase additional ExxonMobil shares. Certificated shares are shares registered in your name and held in certificate form. Book-entry shares are shares registered in your name and credited to your Program account with the Administrator. Any cash dividends not reinvested will be sent to you by check or direct deposit.

You can initiate dividend reinvestment by making an election on the enrollment form. You can also initiate dividend reinvestment at a later date, change reinvestment levels, or stop dividend reinvestment through the Administrator's website or by telephone. To be effective for a particular dividend, the Administrator must receive instructions on or before the record date.

Direct Deposit

You can have any cash dividends not being reinvested deposited directly to your US bank account by completing a pre-printed direct deposit form and returning it to the Administrator. Once initiated, you can change deposit accounts or stop direct deposit by completing and returning a new form. At present, instructions to initiate direct deposit or change accounts can only be made by mail, but you can stop direct deposit by telephone. To be effective for a particular dividend, the Administrator must receive instructions before the record date.

Share Safekeeping

You can deposit stock certificates with the Administrator for safekeeping. To do so, we recommend that you send your ExxonMobil share certificates to the Administrator by registered mail with return receipt requested and insured for 3% of the market value. Mail your certificates together with a properly completed Enrollment Form or, after enrollment, with the appropriate pre-printed form. Do not endorse the share certificates. Safekeeping shares,

registered in your name,

<page> 5

will be credited in book-entry form to your Program account with the Administrator. The deposit of certificates for safekeeping does not affect dividend reinvestment.

Gift/Transfer of Shares

You can make gifts or transfer ownership of shares credited to your Program account by completing a pre-printed gift/transfer form and returning it to the Administrator. These requests must meet the same requirements as generally apply for the transfer of stock certificates, including the requirement of a Medallion signature guarantee on the form. At present, gifts and transfers may not be made through the internet or by telephone. If the recipient is not already a Program participant, the Administrator will open an account in the recipient's name. You will receive a Program prospectus to give to the recipient. The recipient will receive a statement showing the number of shares credited to the recipient's Program account. Gift certificates are also available on request to the Administrator.

Transferring Shares from a Broker

To transfer shares held for you by a bank, broker or other nominee into the Program, you must instruct the nominee to re-register the shares in your name and send you the share certificate. Once certificates are registered in your name, you may enroll in the Program by depositing the shares in your Program account for safekeeping. See "Share Safekeeping" above. You may also reinvest dividends on the shares registered in your name. See "Reinvesting Cash Dividends" above.

Share Certificates

Shares purchased through the Program will be registered in your name and credited in book-entry form to your Program account with the Administrator. You can get a share certificate for all or some of the whole ExxonMobil shares in your Program on request. Requests for certificates may be made through the Administrator's website; by mail using the appropriate pre-printed form; or by telephone. Any remaining whole or fractional shares will continue to be credited to your Program account with the Administrator. The issuance of a certificate for Program shares does not affect dividend reinvestment. Shares of stock credited in book-entry form to your Program account with the Administrator may not be pledged or assigned except through the gift/transfer procedure.

Selling Shares

You can sell any number of shares credited to your Program account on request. Normally, sale requests may be made through the Administrator's website; by mail using the appropriate pre-printed form; or by telephone. However, at present only written sale requests will be accepted if the anticipated market value of the sale is \$100,000 or more AND the mailing address on your account has been changed within 30 days of the request.

Sale requests will be processed promptly after receipt by the Administrator, and will generally be executed no later than five (5) trading days after your request is received except as necessary in light of securities laws, stock exchange rules, or market disruption. Sale proceeds, less a service fee of \$5 and applicable commissions (currently approximately \$0.05 per share) are paid by check, usually within 24 hours after your sale transaction has settled. A request to sell all shares in your account will close your account. Sale requests received on or after the second business day before a dividend payment date may be processed after giving effect to any dividend reinvestment.

Closing a Program Account

You can close a Program account through the Administrator's website; by mail using the appropriate pre-printed form; or by telephone. The Administrator will

<page> 6

issue and mail to you a certificate for all whole shares in the account, or you can specify that all (but not less than all) book-entry shares be sold. The Administrator will handle the sale as described under "Selling Shares" above. The cash value of any fractional shares will be paid to you by check. After an account is closed, you can not make further investments through the Program without re-enrolling.

Instructions to close an account received on or after the second business day before a dividend payment date may be processed after giving effect to any dividend reinvestment.

Source and Price of Purchased Shares

The Administrator will purchase shares in the open market. Shares purchased for a particular investment period are credited to your account at the weighted average price per share of all shares purchased by the Administrator for that investment period. The Corporation pays any commissions for the purchase of

shares. The Administrator may combine your funds with those of other participants for the purpose of making purchases. The Administrator undertakes to purchase shares as soon as practicable beginning on the relevant Investment Date and in no event later than 30 days (in the case of dividend reinvestment) or 35 days (in the case of initial or optional investments) after the relevant Investment Date, except as necessary in light of securities laws, stock exchange rules or market disruptions.

The Administrator may begin purchasing shares for dividend reinvestment in advance of the dividend payment date. Dividend and voting rights on purchased shares begin on settlement.

Reports

You will receive each quarter a statement showing the amount invested; the purchase price; the number of shares purchased, deposited, sold, transferred, or withdrawn; the total number of shares accumulated; and other information. The Administrator may omit the statement for a quarter if there is no change in your account that quarter. The quarterly statement separately shows your book-entry and certificated share positions. You should retain these statements for income tax and other purposes. Replacement statements are available upon request from the Administrator or you may order directly by calling ExxonMobil Shareholder Services using the interactive voice response system. You may also view year-to-date transaction activity in your Program account for the current year, as well as activity in prior years, through the Administrator's website.

The Administrator sends a transaction statement promptly after each investment, deposit, sale or transfer, except that direct deposit of dividends and automatic monthly investments are not individually confirmed. The Administrator also sends you communications sent to all other record holders of Common Stock.

All notices, statements and reports will be addressed to you at the latest address on record with the Administrator. Address changes may be made through the Administrator's website or by telephone. Address changes must be received before the record date for a dividend in order for the dividend check and quarterly information to be mailed to the new address.

Miscellaneous

Stock Split or Stock Dividend. Unless the Corporation chooses another method of distribution, if you participate in the Program, stock dividends or split shares distributed on all shares registered in your name -- including shares you hold in certificate form and shares in book-entry form credited to your Program account -- will be added to your Program account in book-entry form.

<page> 7

If you have elected partial dividend reinvestment, the Administrator will adjust your election so that you continue to receive cash dividends on approximately the same percentage of your ExxonMobil shares as before the split.

Voting. You can vote shares credited to your Program account in person or by proxy via the Internet, telephone or the card sent to you.

Limitation of Liability. The Corporation, the Administrator and their representatives are not liable for good faith acts or omissions in administering the Program. This includes any claim of liability based on the prices or times at which shares are purchased or sold; any change in the market price of shares; or any failure to change elections or terminate an account prior to receipt of appropriate notice. In addition, the Corporation assumes no responsibility for the accuracy of any information contained in the Administrator's website. This is not a waiver of any rights you may have under securities laws.

Termination. The Corporation may suspend or terminate the Program at any time in whole or in part, or may terminate the participation of any participant. For example, it is currently the Corporation's practice to close the account of any participant who does not own at least five (5) whole shares of record. We might also be required to terminate the participation of persons in particular countries due to legal requirements. Notice of suspension or termination will be sent to you if you are affected. Upon any termination of the Program or of any participant, any whole and fractional shares will continue to be credited in book-entry form to the shareholder's account with the Administrator, unless the shareholder requests a certificate for the whole book-entry shares and a check for any fractional interest. As an alternative to issuing certificates upon termination of the Program, a participant may request the sale of all or part of the participant's book-entry shares. A check for the proceeds of the sale less the applicable fees and commissions will be sent to the participant.

Amendment; Interpretation. The Corporation may amend or modify the Program in whole or in part from time to time. The Administrator may also modify its

procedures from time to time. Copies of the most recent prospectus, including current Program terms and conditions, are available from the Administrator and at ExxonMobil's website (www.exxonmobil.com). Other internet site materials are not part of the prospectus. Notice of material amendments or modifications will be mailed to you if you are affected. The Corporation retains the sole right to interpret the terms of the Program and to resolve questions that arise in its application.

THE CORPORATION

ExxonMobil was incorporated in the State of New Jersey in 1882. The Corporation's principal executive office is located at 5959 Las Colinas Blvd., Irving, Texas 75039-2298, and its telephone number is 972-444-1157.

Divisions and affiliated companies of ExxonMobil operate or market products in the United States and about 200 other countries and territories. Their principal business is energy, involving exploration for, and production of, crude oil and natural gas, manufacture of petroleum products and transportation and sale of crude oil, natural gas and petroleum products. ExxonMobil is a major manufacturer and marketer of basic petrochemicals, including olefins, aromatics, polyethylene and polypropylene plastics and a wide variety of specialty products. ExxonMobil also has interests in electric power generation facilities. Affiliates of ExxonMobil conduct extensive research programs in support of these businesses.

TAX CONSEQUENCES

The Corporation believes the following is an accurate summary of the US Federal tax consequences of participation in the Program as of the date of this prospectus. This summary may not reflect every possible situation that could result from participation in the Program. Thus, participants in the Program are

<page> 8

advised to consult their own tax advisors.

In general, the amount of cash dividends paid by the Corporation is includable in income even though reinvested under the Program. Under this general rule, the cost basis for US Federal income tax purposes of any shares acquired through the Program will be the price at which the shares are credited by the Administrator to the account of the participant as described in the section entitled "Source and Price of Purchased Shares." Commissions paid by the Corporation on a participant's behalf are treated as distributions subject to income tax in the same manner as dividends. These amounts are, however, includable in the cost basis of shares purchased. Form 1099-DIV sent to participants and the Internal Revenue Service each year, as required, will show these amounts paid on their behalf.

A participant will generally not realize gain or loss for US Federal income tax purposes upon the withdrawal of shares in certificate form from the Program, but will generally realize gain or loss on the sale of shares.

The above rules may not be applicable to certain participants in the Program, such as tax-exempt entities (e.g., pension funds and IRAs) and foreign shareholders. These particular participants should consult their own tax advisors.

In the case of participants in the Program whose dividends are subject to US backup withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld. In the case of foreign shareholders whose dividends are subject to US Federal tax withholding, the Administrator will reinvest dividends less the amount of tax required to be withheld. The filing of any documentation required to obtain a reduction in US withholding tax is the responsibility of the shareholder.

USE OF PROCEEDS

At present, the Administrator purchases ExxonMobil shares for the Program in the open market and the Corporation receives no proceeds.

LEGAL MATTERS

Counsel who has passed upon legal matters concerning the Program and the validity of the shares offered by this prospectus is James Earl Parsons. Mr. Parsons is regularly employed as Counsel for the Corporation and has various interests in the Corporation's Common Stock.

Item 15. Indemnification of Directors and Officers.

ExxonMobil has no provisions for indemnification of directors or officers in its certificate of incorporation. Article X of the By-Laws of the Registrant provides that it shall indemnify to the full extent permitted by law any director or officer made or threatened to be made a party to any legal action by reason of the fact that such person is or was a director, officer, employee or other corporation agent of ExxonMobil or any subsidiary or served any other enterprise at the request of ExxonMobil against expenses, judgments, fines, penalties, excise taxes and amounts paid in settlement. The New Jersey Business Corporation Act provides for the indemnification of directors and officers under certain conditions.

ExxonMobil has purchased directors and officers liability insurance coverage from Ancon Insurance Company, Inc., a wholly-owned subsidiary of ExxonMobil.

Under the terms of the Agreement and Plan of Merger dated as of December 1, 1998, among ExxonMobil (formerly named Exxon Corporation), Mobil Corporation ("Mobil") and Lion Acquisition Subsidiary Corporation, ExxonMobil has agreed that for seven years after November 30, 1999, the closing date of the merger, ExxonMobil will indemnify and hold harmless each person who was a director or officer of Mobil at or prior to the date of the merger agreement from their acts or omissions in those capacities occurring prior to the closing to the extent provided under Mobil's charter and by-laws as in effect on December 1, 1998.

Item 16. Exhibits

See Index to Exhibits.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

(iii) to include any material information with respect to the plan of

<page>

distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement;

(2) that for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by either registrant of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted against the registrant by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
