ITEM 5. Other Events

On August 22, 2003, the Ninth Circuit Court of Appeals once again ordered the U.S. District Court for the District of Alaska to reconsider the punitive damage award related to the Exxon Valdez grounding. On December 6, 2002, the District Court reduced the punitive damages award from \$5 billion to \$4 billion, after the Ninth Circuit vacated the original \$5 billion award. Both the plaintiffs and ExxonMobil appealed that decision to the Ninth Circuit. The Ninth Circuit panel has now vacated the District Court's \$4 billion punitive damage award and has sent the case back for the District Court to reconsider its decision in light of the recent U.S. Supreme Court decision in *Campbell v. State Farm*.
