* Explanation of Responses: In connection with the Agreement and Plan of Merger dated as of December 1, 1998 among Exxon Corporation ("Exxon"), Lion Acquisition Subsidiary Corporation and Mobil Corporation ("Mobil"), Exxon and Mobil entered into a Stock Option Agreement pursuant to which Mobil granted Exxon an option (the "Option") to purchase up to 136,500,000 shares of common stock, par value $1.00 per share, of Mobil (the "Option Shares"), for a purchase price of $95.96 per share (the "Purchase Price") (with the purchase price per share as to 1,000 Option Shares being adjustable under certain circumstances). Prior to the exercise of the Option, Exxon is not entitled to any rights as a shareholder of Mobil as to the Option Shares. The number of Option Shares and the Purchase Price are subject to adjustment in certain circumstances, provided that the aggregate number of shares purchasable by Exxon upon exercise of the Option at the time of its exercise (together with prior purchases under the Option) may not exceed 14.9% of the total outstanding shares of common stock of Mobil immediately prior to the time of such exercise (treating as outstanding for this purpose the shares of common stock subject to the Option). The Option may only be exercised upon the happening of certain events, none of which has occurred as of the date hereof. Prior to such occurrence, Exxon expressly disclaims beneficial ownership of the Option Shares.
