Explanation of Responses:

In connection with the Agreement and Plan of Merger dated as of December 1, 1998 among Exxon Corporation ("Exxon"), Lion Acquisition Subsidiary Corporation and Mobil Corporation ("Mobil"), Exxon and Mobil entered into a Stock Option Agreement pursuant to which Mobil granted Exxon an option (the "Option") to purchase up to 136,500,000 shares of common stock, par value $1.00 per share, of Mobil (the "Option Shares") for a purchase price of $95.96 per share (the "Purchase Price") (with the purchase price per share as to 1,000 Option Shares being adjustable under certain circumstances). Exxon filed a Form 3 on December 11, 1998, expressly disclaiming beneficial ownership of the Option Shares prior to the occurrence of certain triggering events. The merger of Lion Acquisition Subsidiary Corporation, a wholly-owned subsidiary of Exxon, with and into Mobil was consummated and became effective on November 30, 1999. The Option granted by Mobil to Exxon terminated at the effective time of the merger, and therefore will not be triggered under any circumstances.

Exxon Corporation
